1. Deputy Director for Administration, 7D-18 Hqs.	13 MAY 1987		<p>Bill, This should be part of Administrative out processing & should be explained with other entitlements as is customarily done by OP. Reps in the comments. I believe OP should write the procedural end & I would not be surprised at the degree to which other entitlements are also lost in the rush of business.</p> <p>This is one of several issues we have identified as inadequately briefed. There are publications available, but they are not being distributed or read. We are working on a series of pamphlets to alert PCS'ers of possible entitlements as well as pitfalls in PCS planning.</p>
